SCIENCE AND PEACE

UNDER WITNESS TO:

1. MY ARTICLE: SCIENCE AND PHILOSOPHY.
2. MY ARTICLE: LOGIC.
3. MY SPEECH AND EXPRESSION TO NOBEL PRIZE.

DEFINITION OF **SCIENCE** AS PER WESTERN DICTIONARY:

The systematic study of the structure and behaviour of the physical and natural world through observation and experiment OR an organized body of knowledge on any subject.

THEREFORE:

With the standpoint of infinity {Towards both the endless (∞) extent of tiniest and vastness}; So long individual **mass value** of subatomic particles cannot be classified (Arrange in classes) by irrefutable logic, until then the science of the quantum theory/ies relating quark will remain as pseudo-science by **logic**.

DEFINITION OF **PEACE** AS PER MY INTELLECTION:

The intellection of the serene mind about irrefutable logic of united well-being, which cannot be understood by the **anarchic mind** of imprudent, guile and evil, is called **peace**.

SCIENCE AND PEACE

IN REMEMBRANCE OF THE INTERNATIONAL DAY OF SCIENCE AND PEACE:

My Prajñām (Sublimeego which cognitively acts as intellection in optimistic way of vedic wisdom) says:

1. That any knowledge cannot be **science** until thoroughly examined by the science of reasoning as irrefutably consistent to a constant, like an example of infinity {Towards both the **endless** (∞) **extent** of tiniest and vastness}. The inability to define infinity (∞) by irrefutable logic is the exclusive sign of the **sudden death** of the intelligence quotient (IQ) as below average, consequent upon denial of the infinitely ubiquitous energy as omnipresent.
2. That **peace** is similar to an integrated form of infinite (∞) spectrum of the beam of light, until forcibly disintegrated by finite, alike egoistic bigotry of cast, creed, race, religion, gender and political ideology of same humankind. My THEORY OF TIME DIMENSION is scientifically playing the role of the science of reasoning for PEACE, as indivisibility of atom.

Note:

1. No authority created under Prajñām is sovereign; it is Prajñām which is sovereign by the quality of being wise of irrefutable logic.
2. Prajñām (Sublimeego which cognitively acts as intellection in optimistic way of wisdom) is the key identity of the Ārya (Aryan) Heritage, while Bēda is the prime book of wisdom of the Ārya (Aryan) Heritage.
3. The intelligence quotient (IQ) of below average habitually acts as anarchic mind of illogically unscientific and bias of ego such as guile and evil.
